

District Policy & Regulations

BOARD OF EDUCATION COLUMBUS SCHOOL DISTRICT

PROGRAM
2413/PAGE 1 OF 1

HEALTH EDUCATION

The Board of Education, in compliance with State law, has adopted a comprehensive program of health education which will prepare students to maintain good health and enable them to adapt to changing health problems of our society.

The district curriculum will be based upon the individual mental and physical developmental level of each student as maturation takes place from kindergarten through grade 12.

The District shall notify parents in advance of the human growth and development instruction and give them an opportunity to review the materials to be used.

The Superintendent /designee shall prepare administrative guidelines that will ensure the health education program includes appropriate learning experiences related to such topics as use, abuse, and effects of drugs, alcohol, and tobacco; mental, physical, and dental health; disease prevention and control; accident prevention; and related health and safety topics.

In implementing the program, the Superintendent may use whatever District and outside resources, including Department of Public Instruction guidelines and consultants, s/he deems appropriate.
