## BOARD OF EDUCATION COLUMBUS SCHOOL DISTRICT

PROGRAM  
2421/PAGE 1 OF 1

### VOCATIONAL-TECHNICAL EDUCATION PROGRAM

For purposes of this policy, "vocational education" shall be defined as a program designed to provide educational experiences and guidance for students to plan and prepare for a future:

- A. in the labor market as employable individuals immediately after graduation with productive, saleable skills;
- B. in education beyond high school with the opportunity to gain a marketable job skill(s) that will assist them in achieving career goals;
- C. in the world of work while continuing their education in order to help offset higher education expenses.

The Board directs that any efforts to recruit students to participate in a particular vocational program must include literature and comparable recruitment efforts for disabled students in a form and context in which they can communicate.

The vocational education program may also include a work-study program involving the employment of qualified students.
