BOARD OF EDUCATION COLUMBUS SCHOOL DISTRICT

PROGRAM
2423/PAGE 1 OF 2

SCHOOL TO WORK PROGRAM

The Board of Education strongly supports the School to Work Opportunities Act as a vehicle to help the District prepare students more effectively for the world of work. Through this legislation, the District will be able to provide students with the following learning experiences needed to develop career-related knowledge, attitudes, and skills as well as life-long learning skills:

- A. School based Learning which includes career awareness, exploration, and counseling and the integration of academic and vocational learning.
- B. Work-based Learning which provides students with a planned program of job training and/or various types of work experiences that are coordinated with school-based learning.
- C. Connecting Activities which are designed to ensure that there is effective correlation and coordination between what students learn in school and what they learn at worksites.

The Superintendent is authorized to design and implement school-to-work activities and programs, both independently for this District and in cooperation with other districts, that create three (3) types of learning described above. In addition, s/he should take the steps necessary to implement Board Policy 9555-Partnerships with Business and also ensure that the District is participating actively in alliances, consortia, and/or committees that are coordinating school-to-work initiatives in this area.

The Superintendent's guidelines for the development and implementation of school-to-work activities/programs need to provide for the following concerns of the Board:

Proposals are submitted to obtain planning and/or implementation funds from the State and other sources, when available and appropriate.

Informed parental consent will be obtained for any out-of-district activities such as career-awareness trips, job shadowing, work experiences, and the like.

Emphasis is being placed throughout the program on the development/reinforcement of a high-quality work ethic by every student.
