PROGRAMS FOR GIFTED AND TALENTED STUDENTS

In accordance with the philosophy of the Board of Education to develop the special abilities of each student, the Board requires that appropriate instructional programs be conducted to meet the needs of gifted and talented students.

Gifted and talented students are those who give evidence, through valid assessment, of high performance capability in intellectual, creative, artistic, leadership, and/or other academic areas and who need services or activities not ordinarily provided in the regular District program in order to develop such capabilities.

The Superintendent shall develop administrative guidelines which shall include those for valid identification, curriculum development and implementation, and assessment of the learning outcomes.
