EMPLOYMENT OF SUBSTITUTES

The Superintendent shall employ substitutes for assignment as services are required to replace temporarily absent regular staff members. Such assignment of substitutes may be terminated when their services are no longer required.

Teacher substitutes must possess appropriate licenses or permits.

For all substitutes, there must be verification that the Department of Public Instruction or appropriate State agency has conducted a satisfactory background check.

In order to retain well-qualified substitutes for service in this District, the District will offer a competitive compensation rate.
