

4K PARENT ORIENTATION NIGHT

Columbus School District is pleased to offer 4-year-old Kindergarten to children who will be four by 9/1/12. Columbus offers a community-based 4K program with options available to parents at Cardinal Country Daycare, Columbus Preschool, Headstart, Red Bud Daycare, and St. Jerome's School.

In order to provide more information about 4K and options available at each site, an overview of Columbus 4K will begin promptly at 6:00 on Tuesday, February 21, in the Columbus Elementary school gym.

Immediately following the orientation, from 6:30-7:15, each site has scheduled an Open House, to allow parents to learn more about their 4K Program.

Parents with children living outside the Columbus School District who are interested in sending their child to Columbus, can apply for open enrollment. Visit the district website at www.columbus.k12.wi.us for information on enrollment dates and how to apply on-line.

If you have any questions, please call Columbus Elementary School Office at 623-5952.
