HEALTH SERVICES

The Board of Education may require students to submit to periodic health examinations to:

- A. protect the school community from the spread of communicable disease;
- B. determine that each student's participation in health, safety, and physical education courses meets his/her individual needs.
- C. determine that the learning potential of each child is not lessened by a remedial, physical disability.

The District shall specify the need for health services, which may include, but not be limited to:

- A. student physical examinations;
- B. athlete physical examinations;
- C. dental examinations;
- D. vision screening;
- E. audiometric screening.

Any health services program should also include instruction to staff members on the observance of students for conditions that indicate physical defect or disability.
