PARENTAL STATUS OF STUDENTS

Neither marital status, parental status, nor pregnancy shall be limiting factors for the education of any student in the schools of this District, and are protected from discrimination by State Statute.

The Board of Education's responsibility for the education of all school-age children includes the education of pregnant students and school-age parents. Any variation from continuing regular school classes shall be based upon the assessed needs of such students.

The school may request medical verification of a pregnant student's ability to continue in all classes in her program. A pregnant student, however, may not be compelled to withdraw from their regular education program.
