### LOCKER ROOM PRIVACY

Columbus School District shall observe measures intended to protect the privacy rights of individuals using school locker rooms. The following provisions outline the extent to which protection can and will be provided:

- Locker rooms are provided for the use of physical education students, athletes, and any other groups or individuals authorized by the building principal or designee and by district policy.
- No cameras, video recorders, or other devices that can be used to record or transfer images may be used in the locker room at any time.
- No person may use a cell phone to capture, record, or transfer a representation of a nude or partially-nude person in the locker room or to take any other photo or video image of a person in the locker room.
- No media is allowed access to locker rooms before, during, or after any school athletic event or practice. Coaches and student athletes may be available for interviews outside the locker room, consistent with district policy and school rules.

Students and staff members violating this policy shall be subject to school disciplinary action and possible legal referral. Other persons violating this policy may be subject to penalties by law enforcement authorities. The building principal or designee shall be responsible for enforcing this policy.

This policy shall be publicized annually and posted in each locker room in the district.
