STUDENT FUND-RAISING

The Board of Education acknowledges that the solicitation of funds from students must be limited since compulsory attendance laws make the student a captive donor and may also disrupt the program of the schools.

For purposes of this policy "student fund-raising" shall include the solicitation and collection of money from students for any purpose and shall include the collection of money in exchange for tickets, papers, or any other goods or services for approved student activities.

The Board will permit student fund-raising by students in school, on school property, or at any school-sponsored event only when the profit therefrom is to be used for school purposes or for an activity connected with the schools.

Fund-raising by approved school organizations, those whose funds are managed by the District, may be permitted in school by the principal. Such fund-raising off school grounds may be permitted by the Superintendent.

Fund-raising by students on behalf of school-related organizations whose funds are not managed by the District may be permitted on school grounds if approved by the Superintendent.

The building principals shall distribute this policy and the guidelines which implement it to each organization granted permission to solicit funds.
