### STUDENT ATTENDANCE AT SCHOOL EVENTS

The Board of Education encourages students to attend as many school events held after school as possible, without interfering with their school work and home activities. Enthusiastic spectators help to build school spirit and encourage those students who are participating in the event.

However, in order to ensure that students attending as non-participants are properly safe-guarded, the Board recommends that all elementary and pre-high school students be accompanied by a parent or adult chaperone when they arrive at the event and should be under their supervision throughout its duration.

The Board will provide supervision for all students who attend District-sponsored events.
