STUDENT PRODUCTION OF GOODS AND SERVICES

It is the policy of the Board of Education that students may produce goods and services for nonprofit community organizations or groups during school hours or in school activities only to the extent that such production furthers the educational development of those students. Care must be exercised by the administration in interpreting this policy to avoid exploitation of the students.

It is the policy of the Board of Education to approve school sponsorship of technical educational projects as part of the instruction related to the occupations.

Careful consideration shall be given to each project to ensure that the service rendered is not being exploited and that the project is of educational benefit to the students.
