TUITION INCOME

The Board of Education shall assess tuition for attendance in District schools by students who are not entitled to receive a free, public education in this District and whose enrollment has been approved by the Board of Education.

Tuition rates shall be determined in accordance with 121.83. Rates shall represent the cost per student membership within the limits established by law. Rates will be available before the beginning of the school year or before the student's attendance commences. Charges shall be the maximum permitted by law.

The Business Office shall be responsible for the assessment and collection of tuition. Tuition billing may be assessed daily in advance of the period for which the billing is made.
