BOARD OF EDUCATION COLUMBUS SCHOOL DISTRICT

OPERATIONS
8500/PAGE 1 OF 1

FOOD SERVICES

The Board of Education shall provide cafeteria facilities in all school facilities where space and facilities permit, and will provide food service for the purchase and consumption of lunch for all students.

The food service program shall comply with Federal and State regulations pertaining to the selection, preparation, delivery, consumption, and disposal of food and beverages as well as to the fiscal management of the program.

Lunches sold by the school may be purchased by students and staff members. The Board will approve the prices set for school lunches and milk.

The operation and supervision of the food service program shall be the responsibility of the business administrator. Food services shall be operated on a self-supporting basis with revenue from students, staff, Federal reimbursement, and surplus food. The Board shall assist the program by furnishing available space, initial major equipment, and utensils. Maintenance and replacement of equipment is the responsibility of the program.

A periodic review of the food service accounts shall be made by the Business Administrator.

No foods or beverages, other than those associated with the District's food-service program, are to be sold during food-service hours.

The major objective of the school lunch program will be to safeguard and improve the health and well being of school children. The lunchroom should be considered an education facility for teaching good dietary practices through the service of nutritionally adequate and attractive meals.

The District shall not discriminate in school-sponsored food services programs on the basis of sex, race, religion, national origin, color, ancestry, creed, pregnancy, marital or parental status, homeless status, sexual orientation, physical, mental, emotional or learning disability or handicap. Discrimination complaints shall be processed in accordance with established procedures.
