PUBLIC INFORMATION PROGRAM

It is the desire of the District that channels of communication be kept open at all times between the school system and the people of the School District. The Board will continuously attempt to create and maintain schools that reflect the public's wishes, as well as the students' welfare, and will do its best to keep the people informed of the affairs of the school system.

Publications issued by the schools of this District will reflect the high regard and aspirations of our people for their schools.
