RELATIONS WITH EDUCATIONAL INSTITUTIONS AND ORGANIZATIONS

It is the policy of the District that strong lines of communication be maintained with other districts and with institutions and organizations, which provide District students with programs, training, or services not available in the District.

In order to maintain cordial and constructive relationships with private and parochial schools, the Superintendent shall maintain liaison with the administration of all such schools that enroll significant numbers of students resident in this School District in order to be aware of any program changes that may be planned that could affect this District; and to cooperate fully in the implementation of all State and Federal programs administered by this District that benefit, in whole or part, eligible students attending private or parochial school.
