

**Make payments to your child's
meal account online!**

Safe, Secure, & Simple!
(and convenient)

With EZSchoolPay.com, you can add money to your child's meal account, or make other school payments, using a Visa or MasterCard (credit or debit).

No more lost checks or envelopes! Avoid interruption of meal service by making sure money is always available for your child.

Online credits are *automatically* added to your child's meal account balance at the school *within minutes!*

11:00 am	Almost lunch & no money
11:15 am	Payment posted online
11:30 am	Payment received at school

Thanks Mom!

EZSchoolPay.com also accepts other school fees.

Dear Parent:

EZSchoolPay.com is a service offered to help both schools and parents. Ultimately, it helps your child receive his/her school meals quickly and without interruption of service.

You can use EZSchoolPay.com to make pre-payments to your child's school meal account *anytime* using your Visa or MasterCard (credit or debit). You can also monitor your child's meal account balance online -- it's updated as often as every ten minutes!

Online meal payments are available to your child within minutes! (With the Meal Tracker Point of Sale system).

If your school participates, EZSchoolPay.com can also receive payments for other school-related fees, such as enrollment, books, library etc. (see your child's school for participation).

We encourage you to take advantage of this service. It will give you peace-of-mind knowing your child will receive the meals he/she needs without interruption.

Of course, it's also a great convenience -- credits can be added to your child's account *anytime*, whether it's 10:00 PM or 30 minutes before the lunch bell.

You can feel safe knowing that all transactions are secure. The website is built using 128-bit digital encryption, providing maximum protection of your credit card information.
