Mission and Vision

Mission

Columbus School District ensures each student will be prepared for future success.

Vision

Columbus School District will create a global learning experience in rural Wisconsin.

District Results

Under Coherent Governance, the school board's central job is to set specific goals. These goals are known as "Results". Results serve as the focus of organizational performance.

R-1: Mega Results

R-2: Academic Achievement

R-3: Life Readiness

Launching a New Legacy Towards 2030

Six Priorities Identified by Community

1. Create a community campus by building needed facilities & amenities
2. Expand hands on STEAM opportunities for all students
3. Address students' social needs (i.e. poverty, mental health) with community collaboration
4. Offer a wide variety of course offerings & co-curricular activities to address students' needs
5. Develop and expand community partnerships
6. Implement and sustain up-to-date technology within the schools

Student Enrollment Data

Why enrollment is a factor?

Wisconsin Revenue Limit formula for schools is enrollment driven

- All budget information will be based on projected Enrollments
- 22-23 Enrollment for September count was 1181
- PROJECTING 23-24: 1149
- Enrollment translates into full-time equivalency (membership)
- Membership in the revenue limit formula is averaged over three years, if this projection holds true, it will result in a decrease of 27 students

Counting Kids

- Headcount or Enrollment is the total number of students enrolled in our district (kids in our seats/buildings) and includes kids open enrolled into the district.
 - This figure is used to budget the expenditures for the year and staffing needs
- Membership is the total number of resident students who are attending public school in the district or out (through open enrollment).
 - This figure is used to calculate the revenue limit total
- FTE is the number of member students prorated by the amount of time they spend in district (early childhood, 4K and summer school students).
 - This figure is used to calculate the revenue limit

Summary of Information

- Salary continues to improve
 - Columbus staff salary continues to increase with a level at or above our peers
 - Where we lack in salary, we gain in benefits offered
- Factors to Consider
 - Our workforces is getting younger
 - Fewer teachers are starting and ending their career in the same district
 - Teacher turnover is a reality in many school districts
 - Schools are competing with each other and private industry for candidates

Basics of School Finance

- School Business Office is responsible for publishing and controlling the District budget under the regulation of Federal, State and Local laws and policies
- Work is audited annually by an outside CPA firm and the State
- Wisconsin Schools utilize a uniform fund accounting method called WUFAR
- The Columbus School District uses Skyward, a finance software, used by many districts in the state

State Budget Recap

- The State Biennial Budget was signed by Governor Evers on July 5, 2023
- Allows for a \$325 increase in revenue limit per pupil (Equates to a 3% increase)
- A minimal increase in Special Education Aid (up from just under 32% to 33.3%)
- Relies on districts to use last remaining Federal ESSER funds, which will end September 2024
- Continued support for the Get Kids Ahead Initiative investment to school-based mental health services

How Schools Are Funded

- The Simplified Revenue Limit Formula

Revenue Limit

- State Aid

= Local Taxes

Major State Equalized Aid Factors

- Per pupil spending from the previous year
- Per student property value
- State allocation for equalized aid (split between all districts)
- Preliminary state aid estimate this year (2023): \$8,052,827
- State aid last year (2022): \$8,079,070

Fund Balance Explained

- Last year (2021-22) we had an addition to fund balance of \$420,381.57
- Of this big addition to fund balance, the district and the board decided to use some of this surplus for roofing projects at CHS (\$350,000+/-)
- This expense from fund balance was approved at the July 27, 2022 School Board Meeting.
- The only way to use fund balance is to run a deficit budget the following year.
- Fund balance is our savings account and can be used when expenses outpace revenues during a fiscal year.
- This is what occurred in the 2022-23 fiscal year due to the roofing project

2022-23 Unaudited Financials

- Fiscal audit will be complete in October
- 2021-22 unaudited financials reflect an addition to fund balance of nearly \$420,381.57 (CHS roofing project)
- 2022-23 shows a deficit budget due to this fund balance expense (\$271,324.81)
- As of June 30, 2022 the general fund balance was 34.2% of expenses
- DPI recommendation on fund balance
“an amount sufficient that short term borrowing for cash flow could be avoided and would also allow the district to set aside sufficient assets to realize its longer range goals”
- CSD policy is to keep fund balance at or above 25%

2023-24 Assumptions

Assumptions by the numbers:

- 33.3% special education categorical aid
- \$325 per pupil increase within revenue limit
- Property values are keeping constant from last year (increased over 12% last year and will probably increase again.)
- Maintained \$ 742 /pupil categorical aid (same as last year)
- 3-year enrollment trends: FTE will decrease from 1195 to 1168 students
- \$ 8618 regular education open enrollment tuition (small increase)
- \$ 13470 special education open enrollment tuition (small increase)

Columbus Revenue Limit and Expenses Over Time

2023-24 Assumptions - COVID

COVID Related Revenues:

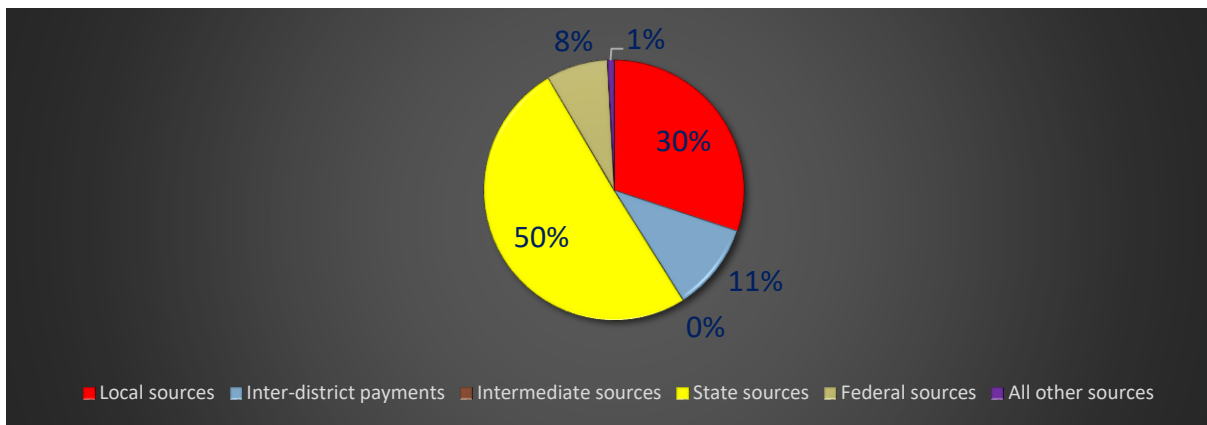

- ESSER II: All funds have been spent (\$550,090)
 - To be spent by September 30, 2023
- ESSER III: \$799,117 (\$495,468 remaining)
To be spent by September 30, 2024

COVID Related Needs:

- Staffing: additional support positions
- Technology: new student/staff devices 2022-23 (payment made from ESSER)
- Sanitation: cleaning supplies to disinfect
- Learning loss: some educational supports (tutoring)

Overall Budgeted Revenues and Expenses

	Revenues	Expenses
General Fund	\$17,411,200	\$17,376,538
Special Projects	\$4,043,046	\$4,010,125
Debt Service	\$2,004,927	\$2,018,134
Capital Projects	\$70,000	\$300,000
Food Service	\$630,447	\$703,908
Community Service	\$203,450	\$281,810

Changes in the Numbers

- You will see an increase to community service revenue
 - Middle school programs still paid for out of this fund
 - Opening the fitness center to the community
 - Planning to host other community programs such as speakers
- Food Service deficit
 - Expenses projected to increase 10%+
 - Reimbursement rates remaining the same or decreasing
 - Only increased fees by 10 cents to keep food affordable to students

Projected Total Levy Increase

	Estimated Increase/Decrease	% Increase/Decrease	Total Levy
General Fund Levy	-\$235,885	-4.3%	\$5,224,975
Debt Levy	-\$48,641	-1.83%	\$2,602,928
Community Service Levy	\$0	0%	\$200,000
Combined Levy	-\$284,526	-3.42%	\$8,027,903

Mill/Tax Rate

Mill/Tax Rate

- Current projections on property value haven't been released
- Predicting property values at same amount as 2023, but they will probably increase a bit
- With this projected property value at the same level as last year, the mill rate would be \$8.01
- This would represent a 3.5% decrease in mill rate

Note: THESE AMOUNTS ARE NOT FINAL. FINAL NUMBERS FOR EQUALIZATION AID AND REVENUE LIMIT EXEMPTIONS ARE PUBLISHED BY THE DPI ON OCTOBER 15, 2023 AND MAY CHANGE THE FINAL LEVY AND MILL RATE.
